ANNUAL E-GOVERNANCE REPORT FOR AY 2022-2023

The Principal of Joginpally B.R. Pharmacy College is pleased to present the annual report on e-governance for the academic year 2022-2023. The institution has implemented the e-governance in the following areas of operation:

1. Administration
2. Finance and accounts
3. Student admission and support
4. Examination
5. Library
6. Staff details

The details of the above are as follows –

1. Implementation of e-governance in Administration:

The college website is used for hosting information and notices related to administration and students, from time to time. The website is constantly updated with respect to placements, conferences, workshops and includes information related to various committees like anti-ragging, grievance & redressal, SC/ST, internal complaint, etc. Academic calendars, examination time table, semester and examination results and other related information are posted in college website. In addition, details regarding various MOUs and program related feedbacks are also posted.

The college submits its data annually on the Pharmacy Council of India (PCI) portal https://www.pci.nic.in/ and in the JNTU (Jawaharlal Nehru Technological University) Hyderabad portal https://jntuh.ac.in/. Data is submitted on several parameters such as teachers, student's enrolment, programs, examination results, education finance and infrastructure.

2. Implementation of e-governance in Finance and Accounts:

a. Accounts: All the payments and receipts information is managed on Tally-9. The competent auditors audit the necessary information in the Tally.

b. Online fee payment: Cashless fee payments have been implemented through Unified payments interfaces (UPI) such as Paytm, PhonePe and internet payment. Majority of students are paying the fee though online mode.

3. Implementation of e-governance in Student Admission and Support:

After the admission, the student details related to course, branch, registration number, admission date, category of admission, address and contact details will be uploaded in the e-governance. Further details of Fee reimbursement and other information like financial benefits received from state government are updated though designated website of state government (https://telanganaepass.cgg.gov.in/FreshRegistration202324). Student's academic details will also be uploaded in the fully automated e-governance. All details regarding attendance and marks obtained in internal and external exams are uploaded in the affiliated university website (https://jntuh.ac.in).

The college submits its data annually on the AISHE portal in the college login page. Data is submitted in several parameters such as students enrolled with program and category wise, faculty details department wise, programs offered in the institution, infrastructure details, academic details, results and financial details.

4. Implementation of e-governance in Examination:

The information related to the internal and external examinations will be posted in the college website which includes circulars, time tables etc. The internal marks and the external practical marks will be uploaded in the University portal. Contact details related to the examinations will be included in the college website. The results declared by the University will be displayed for the students in college website.

5. Implementation of e-governance in Library:

The institution implements e-governance in library through KOHA and KNIMBUS softwares.

6. Implementation of e-governance in Examination:

Department wise staff details like name, designation, qualification, experience details, etc. were included in the website.
