## BAN ON USE OF PLASTIC

The use of disposable plastic bottles, cases, spoons, straws, and mugs is strictly prohibited. Staff and students become aware of this through orientation and bulletin boards posted on the college grounds. Steel glasses have been installed in the canteen to replace the plastic tea cups and glasses in an effort to reduce the usage of plastic. It is advised that instead of using plastic water bottles, staff and students should utilize steel or copper bottles. Additionally, the institution raised awareness among the faculty and the surrounding community about the prohibition on plastic use and organized events related to it.

Teachers and students discussed the negative impacts of plastics and advised against using them. Reusable bags can be used in place of plastic ones, protecting the environment and wildlife. Additionally, the students gathered plastic from the adjacent homes. The campaigns to "Say No to Plastics"
